The Honourable James E. Lockyer, Q.C.
Minister of Justice
Province of New Brunswick

Dear Minister:

I have the honour to submit the Fifty-Second Report of the Superintendent of Insurance for the insurance companies' business year 1988 and for the Superintendent's fiscal year ending March 31, 1988.

Total premiums, for all classes of insurance, paid by policyholders in the business year 1988 were $804,701,066, an increase of approximately 2% over the previous year. Total claims and dividends paid were approximately $430,808,343, an increase of 9%. Other Than Life business overall loss ratios decreased from 70% in 1987 to 53% in 1988, and the details are highlighted herein. The improvement was in surety and specific casualty lines as auto had a loss ratio of 80%, and personal lines fire at 60/%.

The Fire Marshal's Tax, levied on all fire premiums collected by insurers during 1988-1989, exceeded $758,000. The tax rate is 1% of premiums and was collected on behalf of the Department of Municipal Affairs and Environment.

The expenses of the Automobile Insurance Rate Filing section of the Board of Commissioners of Public Utilities are collected on behalf of the Department of Transportation but reported as income to the Department of Justice. The expenses collected from insurers, based upon a pro-rata charge of automobile insurance premiums, were $195,323 a decrease of approximately 29% from the previous year.

The insurance Branch collects its own expenses by way of a pro-rata assessment on the industry based upon premium income and the 1988-1989 amount totalled $310,442, a decrease of approximately 4% in expenses.

Premium taxes are collected on the basis of 2% of premium income for life companies and 3% of premiums of other than life companies. The amount received for 1988-1989 was $14,595,962, a 10% increase over the prior year.

License and examination revenues from intermediaries (agents/brokers/adjusters/appraisers) totalled $129,835.

There were 313 insurance companies licensed during 1988. The mix is as follows:

LICENSED INSURERS	1988	1987
Provincial Mutuals	4	4
Life	112	105
Other than Life	180	186
Fraternal (Life)	10	10
Fraternal (Other Than Life)	1	1
Reciprocal	4	2
Miscellaneous	2	2
	313	310

Le 1er septembre 1989

L'honorable James E. Lockyer, c.r.
Ministre de la Justice
Province du Nouveau-Brunswick

Monsieur le Ministre,

J'ai l'honneur de vous présenter le cinquante-deuxième rapport du surintendant des assurances pour l'exercice 1988 des compagnies d'assurance et pour l'année financière du surintendant se terminant le 31 mars 1989.

Pour toutes les classes d'assurances, les assurés ont versé 804 701 066 $ en primes pendant l'exercice 1988, ce qui constitue une augmentation de quelque 2 p. 100 par rapport à l'exercice précédent. Les décaissements pour sinistres et participation ont atteint environ 430 808 343 $, soit une augmentation de 9 p. 100. Quant aux ratios des sinistres-primes pour les compagnies d'assurance autres que celles offrant de l'assurance-vie, ils sont passés de 70 p. 100 en 1987 à 53 p. 100 en 1988; ces ratios sont d'ailleurs analysés en détail dans le présent rapport. Les améliorations se sont fait sentir au chapitre des cautions et de certains risques divers, le ratio des sinistres-primes ayant atteint 80 p. 100 au titre de l'assurance-automobile et 60 p. 100 au titre de l'assurance-incendie des particuliers.

La taxe du prévôt des incendies, prélevée à même les primes d'assurance-incendie perçues par les assureurs, a excédé 758 000 $ en 1988-1989. Le taux d'imposition correspond à 1 p. 100 des primes, et la perception est faite au nom du ministère des Affaires municipales et de l'Environnement.

Les dépenses de la section de tarification de l'assurance-automobile, de la Commission des entreprises de service public, sont recouvrées, pour leur part, au nom du ministère des Transports, mais sont portées au poste des revenus dans le budget du ministère de la Justice. Les sommes recouvrées des assureurs, lesquelles sont proportionnelles aux primes d'assurance-automobile qui leur ont été versées, se sont chiffrées à 195 323 $, soit une baisse de quelque 29 p. 100 par rapport à l'année précédente.

La Direction des assurances recouvre elle-même ses dépenses en imposant aux assureurs des cotisations proportionnelles à leurs revenues-primes. En 1988-1989, ces cotisations se sont élevées à 310 442 $, soit une diminution d'environ 4 p. 100 au titre des dépenses.

La taxe sur les primes équivaut à 2 p. 100 du montant des primes payées aux compagnies d'assurance-vie et à 3 p. 100 des primes versées aux autres compagnies d'assurance. En 1988-1989, les sommes recueillies en vertu de cette taxe se sont chiffrées à 14 595 962 $, soit une augmentation de 10 p. 100 par rapport à l'exercice précédent.

Les recettes provenant des licences et des examens des intermédiaires (agents, courtiers, experts, estimateurs) ont atteint 129 835 $.

En 1988, 313 compagnies d'assurance ont obtenu une licence:

ASSUREURS AUTORISÉS	1988	1989
Compagnies mutuelles provinciales	4	4
Compagnies d'assurance-vie	112	105
Autres compagnies d'assurance	180	186
Sociétés de secours mutuel (vie)	10	10
Sociétés de secours mutuel (autres)	1	1
Compagnies d'assurance réciproque	4	2
Divers	2	2
	313	310

The agency and adjusting forces licensed during the year were as follows:

LICENSE TYPE	1988-1989	1987-1988
Life Insurance Agents	1351	1312
Other Than Life Agents	871	838
Brokers (non-residents)	63	72
Accident & Sickness	76	104
Travel	143	133
Special Insurance Brokers	5	6
Damage Appraisers	80	78
Adjusters	299	273
	2888	2816

The year in perspective remained a communication one as we maintained our "open line" policy with consumers and the industry. Enquiries on insurance related matters approximated 1,100 as consumers become more sophisticated in questioning industry decisions relating to products, premiums and statutory rights at time of a loss. The industry remains very responsive to situations on which we requested assistance or further consideration.

The Insurance Branch was cognizance of the needs of intermediaries (Agents, Brokers, Adjusters and Appraisers) and supported the Agents Association in a change of name to Insurance Brokers Association of New Brunswick, which more accurately reflects their modus operandi. The Life Underwriters Association of Canada made a presentation on the concept of "Insurance Councils" which is a co-regulatory structure (industry/government) with emphasis on the industry supervising more of its own activities. The Branch is reviewing the proposed concept which would embrace both casualty and life intermediaries, and complements our goal in the attainment of specific educational standards in developing a "step-licensing" program. These proposals will eventually be advanced for legislative consideration.

The Branch completed the scheduled audits of our provincially-based insurers for the fiscal year and any deficiencies, which were mostly administrative, were corrected. During the year federally chartered Kent General Insurance Corporation acquired the provincially incorporated and registered General Insurance Corporation of New Brunswick, which will continue to operate as a separate entity. We had two new reciprocals licensed in 1988, namely Canadian Universities Reciprocal Insurance Exchange in which our four provincial universities are participating and Canadian Lawyers Insurance Association which includes the Law Society of New Brunswick. With emphasis on risk management disciplines, reciprocals are formed to avail themselves of self-pooling market accessibility, premium rate control with catastrophe protection through Reinsurers.

In September 1988, New Brunswick entered into an agreement with the Property and Casualty Insurance Compensation Corporation which provides consumer protection up to the limit of $200,000 per claim, in the event of the insolvency of a licenced property & casualty insurer. A similar compensation association is presently being negotiated with the life insurance industry.

Legislation passed this Spring provides for the dissolution of the Unsatisfied Judgment Fund and introduction of compulsory Uninsured Motorist Coverage which is scheduled to be proclaimed in the Fall of 1989. This will place New Brunswick ahead of all private insurance jurisdictions in automobile accident compensation by having the industry, through the Facility Association, establish a compensation fund to protect innocent victims of accidents involving an unidentified or uninsured automobile.

The insurance Branch continues to work closely with our New Brunswick based insurers in addressing their competitiveness within the financial sector on networking of products and services to the best interests of consumers in New Brunswick.

Respectfully submitted,

R.W. Richard
Superintendent of Insurance

Les professionnels de l'assurance ayant obtenu leur licence cette année se répartissent comme suit:

GENRE DE LICENCE	1988-1989	1987-1988
Agents d'assurance-vie	1 351	1 312
Agents d'assurance autre que l'assurance-vie	871	838
Courtiers (non résidents)	63	72
Agents d'assurance-accidents et maladie	76	104
Agents d'assurance-voyage	143	133
Courtiers spéciaux d'assurance	5	6
Estimateurs de dommages	80	78
Experts en sinistres	299	273
	2 888	2 816

L'année à l'étude a été axée à nouveau sur la communication, notre politique d'ouverture face aux consommateurs et aux intervenants de l'industrie ayant été maintenue. Notre bureau a reçu environ 1 100 demandes de renseignements ayant trait aux assurances car les consommateurs deviennent de plus en plus exigeants et mettent davantage en doute les décisions des assureurs en ce qui a trait aux produits, aux primes et aux droits statutaires en cas de sinistre. Les assureurs ont très bien réagi lorsque nous leur avons demandé de nous aider ou d'étudier certains cas plus en détail.

La Direction des assurances, consciente des besoins des intermédiaires (agents, courtiers, experts, estimateurs), a appuyé la demande de l'Association des agents d'assurance du Nouveau-Brunswick, qui voulait être appelée désormais Association des courtiers d'assurances du Nouveau-Brunswick afin de mieux refléter son mode opératoire. L'Association des assureurs-vie du Canada, pour sa part, a présenté un mémoire sur le concept des conseils d'assurance, une structure de co-réglementation (industrie et gouvernement) exigeant que les intervenants de l'industrie surveillent davantage leurs propres activités. La Direction étudie actuellement le concept proposé, qui pourrait s'appliquer à la fois aux intermédiaires s'occupant d'assurance risques divers et d'assurance-vie, sans compter qu'il cadre bien avec notre objectif, qui consiste à se doter de normes pédagogiques précises visant l'élaboration d'un programme d'accréditation par étapes. Ces propositions sont appelées un jour à être soumises à l'étude des législateurs.

La Direction a terminé les vérifications des dossiers de nos assureurs provinciaux qui avaient été prévues pour l'exercice et tous les problèmes, pour la plupart d'ordre administratif, ont été réglés. Au cours de l'année, la Compagnie d'assurance générale Kent, une société fédérale, a acquis la société provinciale connue sous le nom de General Insurance Corporation of New Brunswick, laquelle continuera à fonctionner comme une entité séparée. Par ailleurs, deux compagnies d'assurance réciproque ont obtenu leur licence en 1988, à savoir le Mécanisme d'assurance réciproque pour les universités canadiennes, dans lequel nos quatre universités provinciales participent, ainsi que l'Association d'assurance des juristes canadiens, dont fait partie le Barreau du Nouveau-Brunswick. Les compagnies d'assurance réciproque, qui se spécialisent dans la gestion des risques, sont établies de sorte qu'elles puissent profiter de la mise en commun de fonds d'indemnisation et se prévaloir de contrôles des taux des primes, la garantie de catastrophe étant offerte par des réassureurs.

En septembre 1988, le Nouveau-Brunswick a conclu une entente avec la Société d'indemnisation en matière d'assurance IARD, laquelle offre au consommateur une couverture pouvant atteindre jusqu'à 200 000 $ par sinistre, s'il advenait qu'une compagnie d'assurance générale titulaire d'une licence soit insolvable. Une entente semblable est en voie de négociation pour ce qui est de l'assurance-vie.

Une loi a été adoptée le printemps dernier qui prévoit la dissolution du Fonds d'indemnisation des victimes d'accidents automobiles et l'établissement d'une police d'assurance obligatoire visant la non-assurance des tiers, mesure législative qui devrait être proclamée à l'automne 1989. Cette initiative fera du Nouveau-Brunswick un chef de file parmi tous les intervenants privés du domaine de l'assurance pour ce qui est de l'indemnisation des victimes d'accidents automobiles; ainsi, les assureurs, par l'entremise de l'Association de services, établiront un fonds d'indemnisation visant à protéger les innocentes victimes d'accidents lorsque le conducteur n'est pas connu ou qu'il n'est pas assuré.

La Direction des assurances continue de travailler en étroite collaboration avec nos assureurs néo-brunswickois afin de les aider à devenir plus concurrentiels au sein du secteur financier, notamment en établissant des réseaux pour leurs produits et services, et ce afin de mieux servir les intérêts des consommateurs néo-brunswickois.

Veuillez agréer, Monsieur le Ministre, l'expression de ma haute considération.

R. W. Richard
Surintendant des assurances
